Re: PEARL BAHMER

Following suggestion of Mr. Falzer, I requested Mr. Watson to secure a list of the names of women confined in the Middlesex County Jail during the time Pearl was an inmate.

The records show that Pearl was committed as an incorrigible on Sept. 24, 1922, and was discharged the following day. This is concededly incorrect as Pearl was held until after the Raymond Schneider case had been disposed of and the record in his case shows that he was committed October 13, 1922, and remained until December 18, 1922, when he was sent to the Rahway Reformatory.

During the period from September 24th to December 18th, 1922, there were various women confined for a short time awaiting bail, etc., but there were only three who were there for any length of time. They were as follows:

ESTHER DAVID, white, age 15 years, address 613 Penn Street, Perth Amboy. Committed Nov. 23, 1922, by Judge Pickerskill of Perth Amboy, as a juvenile witness; released December 12, 1922, by Prosecutor Toolin.

MABEL HARDY, committed December 3, 1922; age 14 yrs., address 95 French Street, New Brunswick; juvenile witness; released on bail December 29, 1922.

AGNES STEFANSKI, committed December 14, 1922, on a capias of Judge Daly; age 48 years; address 146 Washington Street, Perth Amboy, N.J.; released December 18, 1922.

This for your information.
